

# FAMILIES, YOUR VOICE MATTERS

Did you know that you could partner with our research team?

Scan the QR code or click the link below to find out more and register your interest. No research experience needed!

Click [here](#) to be taken to the form

Together, we can make research more relevant and useful.

This resource was created as part of the McMaster University, CanChild, and Kids Brain Health Network Family Engagement in Research Course in partnership with Healthy Trajectories: A child and youth disability research hub for those on the Melbourne Children's Campus.
